

Community Disability Advocate Interview Guide

1. What is your name?
2. How old are you? *(If they do not know, prompt them to make an estimate.)*
3. What ward do you live in?
4. Do you have a disability? If so, what is it?
5. What month, day, and year did you complete Kuhenza and Kupenda's Disability Advocacy Training?
(If they do not know, prompt them to make an estimate.)
6. After the training, what actions did you take in your community to educate people about the rights and needs of children with disabilities? *(Prompt the respondent to discuss the following one by one: individual conversations, meetings with small groups, and large group presentations.)*
7. After the training, what actions did you take in your community to organize people to support children with disabilities? *(Prompt the respondent to discuss the following one by one: parent support groups, volunteer days, disability outreach committees, fundraising.)*
8. After the training, what actions did you take in your community to help children with disabilities and their families?
(Prompt the respondent to discuss the following one by one: identifying them, counseling, home visits, inviting them to events, school or medical referrals, transportation support, and nutritional support.)
9. How do you feel we could improve the workshop training?
(Encourage them to share ideas unrelated to providing them with money.)
10. How do you feel we could improve support to you after the training?
(Encourage them to share ideas unrelated to providing them with money.)
11. What is making this disability advocacy work challenging?
12. What situations or conditions are preventing you from taking action?
13. If you could receive more training support from Kuhenza and Kupenda, what would you like to be trained on?
14. What do you really enjoy about being a disability advocate in your community?
