

Spring Stories from Kupenda

Dear friend,

In this month's newsletter you'll hear feedback from some of our Kenyan moms and meet a little boy who transformed the way his family and neighbors see people with hearing loss. You'll also learn how the war in Ukraine is shedding light on injustices suffered by people with disabilities around the world and how you can respond.

Plus, check out the articles below for some Mother's Day gift ideas and information about our classroom presentations, which have helped hundreds of students learn how they can become advocates for a more inclusive world!

Thanks for your continued interest in our work and support for our children in need!

In love and gratitude,

Cynthia Bauer
