

Heartfelt Stories and a Groundbreaking Book: June Updates from Kupenda

Dear friend,

In this month's newsletter, you'll meet Kadzo, a young seamstress, and four Kenyan fathers whose lives have been transformed because of your support! You'll also hear from Lucky Mahenzo, our new Child Protection Officer, who is using her law degree to improve justice and care for Kenyan children with disabilities.

Plus, you can read about Kupenda's chapter in a groundbreaking publication that explores disability and social justice in Kenya.

Today, as we close out our fiscal year, we thank you for walking beside us through another 12 months of work that have led to increased health, education, and inclusion for thousands of children with disabilities!

In love and gratitude,

Cynthia Bauer
