

# Updates from Our Kenyan Kids and U.S. Leaders!

Dear friend,

This month you'll meet Mwanahawa, our passionate occupational therapist, and hear from 10 children with disabilities whose lives you've transformed with your generosity and support!

You'll also meet Jeff, a Kupenda Board member who has devoted his life to improving employment access and equity for people with disabilities.

And finally, I wrote a brief article about my experience in Brussels earlier this month with the *International Development and Disability Consortium* – a group of global nonprofits that Kupenda is working with to make the world a more loving and inclusive place for people of all abilities!

I hope you enjoy these updates!

As always, we are thankful for each of you who continue to support us with your interest, encouragement, donations, sponsorships, prayers, connections and more!

In love and gratitude,

**Cynthia Bauer**

*Kupenda's Founder and Executive Director*
