For the questions below, indicate whether you agree Always, Most of the Time, Sometimes, Rarely, or Never.

	Always	Most of the Time	Sometimes	Rarely	Never
Causes					
1. If someone has a disability, it is a punishment for his/her sin or the sins of his/her parents.					
2. Disabilities are the result of witchcraft or curses.					
3. A person is demon-possessed if someone starts shaking, has odd or bad behavior, hears or sees things that are not there, or seems to act differently than other people.					
4. Disabilities are contagious.					
Rights					
5. Children and youth with disabilities have a legal right to access education.					

	Always	Most of the Time	Sometimes	Rarely	Never
6. People with disabilities have a legal right to access medical care.					
7. People who are deaf or hearing impaired have the right to a free lawyer in court.					
8. Hiding a child with a disability is not protecting the child.					
9. Courts can fine parents who do not provide for the basic needs of their children with disabilities.					
10. Legally, employers are not allowed to deny people with disabilities a job because of their disability.					
11. Legally, children with disabilities cannot be denied access to public transportation.					
Community Life					
12. People with disabilities should be invited into leadership roles within the community.					
13. People with disabilities should be invited to social and community events.					
The Role of Chiefs and Government Leaders					
14. National and international laws require that chiefs and government leaders protect the rights of people with disabilities.					
15. Chiefs and government leaders who observe injustices against people with disabilities have a legal responsibility to enforce laws that restore justice for these populations.					
16. Chiefs and government leaders should support families impacted by disability in registering for and accessing available social services.					
17. Chiefs and government leaders should educate their communities about the needs and rights of people living with disabilities and their families.
