

Selfless Supporters of Children with Disabilities: January Updates from Kupenda

Dear friend,

In this January newsletter, you'll learn about the tireless and selfless work of the houseparents at Kupenda-supported schools. This sacrifice is all for the benefit of children like Athman, a boy who has overcome so much to thrive academically and socially.

You'll also hear how Karisa and Tom Schreck, long-standing advocates for Kupenda, have supported and sustained our work of offering life-saving care to children with disabilities worldwide.

As always, thank you for your continued support!

In love and gratitude,

Cynthia Bauer

Kupenda's Founder and CEO
