

## A Time for Reflection and Action: November Updates From Kupenda

---

Dear friend,

This newsletter provides a preview of our new children's book, *No Longer Left Behind*, where kids will learn how Kenyan children with and without disabilities go to school. This beautifully illustrated storybook also helps the reader understand how Kupenda's efforts are supporting children with disabilities to have the same opportunities as their peers. Each book purchased will go towards supporting children like the ones featured in the book!

This month's update also highlights the legal support Kupenda offers to children, one child's amazing efforts to overcome obstacles in her life, and ways to support Kupenda's communities this Giving Tuesday.

As always, we are very grateful for the support you provide for the families we serve!

In love and gratitude,

**Cynthia Bauer**
