

September Updates From Kupenda

Dear friend,

In this month's newsletter, you'll learn about how Kupenda's trained disability advocates are saving lives and improving conditions for children with disabilities across the world! Advocates like Pastor Mlanda are traveling hundreds of miles to support life-saving interventions for children in their communities. Kupenda-supported children like Simon are fostering dreams to serve as public officials to the very communities that once rejected them.

In addition, Kupenda is expanding its impact by sharing our disability advocacy strategies and tools with other nonprofits, such as CURE International. With your support, we are reaching thousands of new people impacted by disability and allowing them to reach their full, God-given potential!

In love and gratitude,

Cynthia Bauer
